Your all purpose solution in an all new smart size.
The Fendt 200 series delivers big results no matter
the application.

The Fendt 200 Series

The FendtONE™ cab allows you to customize both display and control settings to maximize your operating experience. Tailor your Fendt 200 Series by selecting the package that suits your operation. V, F, P Edition cab pictured here.

The FendtONE cab allows you to customize both display and control settings to maximize your operating experience. Tailor your Fendt 200 Series by selecting the package that suits your operation. S Edition cab pictured here.

The heart and soul of every Fendt tractor is its Vario® CVT transmission. The stepless Vario CVT, with no clutch packs, optimizes engine power and fuel economy, with seamless travel from 65 ft/h to 25 mph. Operate in either joystick or pedal mode for the ultimate driving experience.

Like all Fendt tractors, your Fendt 200 Series comes standard with Gold Star Customer Care. A 3 year or 3,000 hour full machine warranty, PLUS all scheduled maintenance, 5 years of Fendt Connect™ advanced telematics, and a loaner guarantee.
